3. Signature and Date *Form cannot be processed without signature and date.*

By signing this form, you:

- Affirm that the beneficiary information provided on this form replaces any prior beneficiary information that may be on record for the indicated account(s).
- Understand that if your IRA contains community property and you do not designate your spouse as your primary beneficiary for at least 50% of the value of your IRA, you may want to consult with your attorney or tax advisor to determine the impact of community property laws on your beneficiary designation.
- Acknowledge that if more than one party is named and no share percentages are indicated, payment shall be made to your primary beneficiary(ies) who survives you, in equal shares. If a percentage is indicated and a primary beneficiary(ies) does not survive you, unless you have checked the per stirpes box above, the percentage of that beneficiary's(ies) designated shares shall be divided equally among the surviving primary beneficiary(ies).
- Acknowledge that upon transfer of assets to multiple beneficiaries, all residual income paid to your IRA and any fractional shares that cannot be divided equally among the beneficiaries will be systematically allocated to the beneficiary receiving the largest share

proportion of the IRA assets. If the IRA is transferred evenly, or at different intervals, the income and/or fractional shares will be systematically allocated to the last beneficiary paid.

- Acknowledge and agree that the beneficiary rules of succession and related terms in the Premiere Select Traditional IRA Custodial Agreement, Premiere Select Roth IRA Custodial Agreement or Premiere Select SIMPLE IRA Custodial Agreement ("Custodial Agreement"), as applicable, will apply to any transfers or distributions from the indicated IRA following your death.
- Acknowledge that, by electing "per stirpes," and that beneficiary does not survive the IRA owner, but leaves surviving descendants, any share otherwise payable to that beneficiary shall instead be paid to that beneficiary's surviving descendants by right of representation.
- Acknowledge that "per stirpes" creates a category of beneficiaries (for example, the children of a beneficiary), and therefore may end up including individuals not yet born or adopted.
- Acknowledge that National Financial Services LLC (NFS), agent for Fidelity Management Trust Company (FMTC), custodian, and their affiliates, successors

and employees, have no obligation to locate or notify any beneficiary or to independently verify any information submitted by any person claiming an interest in your IRA.

- Acknowledge that if you do not properly name a beneficiary, or no beneficiary survives you, the IRA will be distributed or transferred, in accordance with the rules of succession in the applicable Custodial Agreement.
- Understand that if you change your beneficiary designation at any time during the year, it is your responsibility to instruct NFS, in a letter of instruction, of the impact of any such changes to any previously requested required minimum distribution ("RMD") calculations and that your RMD amount may increase or decrease. If you fail to do so, subsequent distributions in your payout plan may not satisfy your RMD requirements. (Consult with your tax advisor to determine how a beneficiary change may affect your RMD amount.)
- Agree that this designation becomes effective when received and accepted by NFS, agent for FMTC, custodian, and will remain in effect until NFS receives and accepts another designation with a later date.

Important Information Regarding Complex/Customized Beneficiary Designations

Subject to the requirements outlined below, if you wish to make a beneficiary designation for your Premiere Select IRA that is more complex than what can be provided on this form, you may attach a customized beneficiary designation to this form. Consult with your attorney and/or tax advisor for assistance in determining a customized beneficiary designation that is appropriate for you. To be eligible to make a customized beneficiary designation, you must have at least \$100,000 in assets at NFS (includes retirement and nonretirement brokerage and mutual fund assets at NFS). When considering eligibility, your accounts and your spouse's accounts can be combined for the purpose of meeting the minimum balance requirement.

- The beneficiary designation must include: (1) your name, (2) your account number, and (3) your dated signature.
- The beneficiary designation must include each beneficiary's: (1) name, (2) date of birth/trust OR Social Security/Tax Identification Number, (3) relationship (spouse, non-spouse individual, trust, or other entity), and (4) percentage of the assets to receive upon your death.
- The beneficiary designation must clearly state who/what entity will provide NFS with clarifying directions if questions arise regarding the identity of and/or the percentage (or amounts) of assets each beneficiary is entitled to upon your death.
- The beneficiary designation must contain language indemnifying and holding harmless FMTC and NFS (and their affiliates, successors and employees) from any loss or liability arising from the distribution of assets pursuant to the designation.
- If you request and receive approval for a customized beneficiary designation, you are responsible for calculating your RMD each year if the RMD calculation is based on joint life expectancy.
